Come forth into light of things - let Laser be your future

INVESTMENT

Sola India proudly announces it's **3rd National Conference on Oral Laser Application at Ahmedabad**. We have successfully hosted the 1st International Conference at Mumbai & 2nd National Conference at Bangalore; with more than 250 delegates attending each conference.

The theme of the conference is aptly coined **“Come forth into light of things-Let Laser be your future”**.

Lasers though a decade old are recently gaining popularity in various Dental applications. We associate with SOLA International, Vienna. SOLA India was thus formed to bring the latest in the field of Lasers at your door step. We intend to introduce the newer delivery systems and laser medium which make the laser-dental applications easier and predictable.

Lasers are used in soft tissue surgeries, cavity preparations, and bleaching. Lasers are very safe, atraumatic, pain free, with very few side effects. less tissue destruction and specific target affinity making it simple and effective.

Lasers in routine practice modernizes dental care. It shall keep you way ahead in this highly advanced & competitive world of dentistry.

The conference shall be one of its kind with multimedia presentations, a deluxe 5 star venue, hi-tech trade fair and warm hospitality. We shall take care of your comfort to experience a rich heritage of Gujarati culture and mouth watering delicacies.

Padmabhusan (Brig) Dr. Anil Kohli, President, Dental Council of India has kindly consented to be the chief guest.

We appreciate your presence at the most happening dental education event of the year .

2nd conference At Bangalore 2008

1st conference at Mumbai 2006

Registration & Hotel Booking

3rd
National Conference

LASERS ARE PRIMARILY USED IN THE FOLLOWING FIELDS

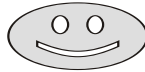

Kills Germs

No Drill

Fewer Injections and anesthesia

Less Pain

Shorter Treatment

No Vibration

Faster Recovery

Perfect For Children

Preserves Healthy
tooth structure

- Diagnosis: Caries detection
- Cariology: Caries removal, Cavity preparation
- Endodontics: Sterilization of root canal
- Implantology: Implant exposure, peri-implantitis therapy
- Surgery: Soft tissue and bone surgery
- Periodontology: Cleaning of the hard tissue surface and periodontal pockets
- Cosmetic treatment: Bleaching, Facial Aesthetics

Uses & Advantages

Oral Laser Applications

SOLA International Laser Academy provides a certified postgraduate educational program for dentists and specialists, who will be trained in 3 step module course in all fields of laser dentistry. It is SOLA'S target to offer funded Education, based on the "Golden Standards" in Laser dentistry and to train clinicians in the latest research findings and trends in this most innovative field of dentistry.

SOLA in association with M.A. Rangoonwala College of Dental Sciences & Research Center, Pune shall conduct these courses in India under aegis of SOLA International for Asia Pacific region. International speakers shall lecture in their special areas of interest. Theoretical education shall be combined with hands-on training and supervised clinical experience for the participants. **For the first time module I & II are held in Gujarat at Ahmedabad.**

Module I : 1 ½ days Course : It shall cover topics on basics in Laser dentistry. Theoretical information about physics, Laser safety, tissue interactions, clinical indications & management. Hand-out of the practical protocol.

Module II : 2 days course : Focusing on the clinical point of view on the various indications in the field of Laser dentistry. Video-transmitted surgery, and hands-on training. Participants are asked to present their own cases and therapy-plans.

(Concomitant to Module I and II participants are expected to document approx. 80 hours of practical work in Laser dentistry is a requisite for diploma exam.)

Diploma Of The Sola Academy shall be awarded after having completed the **practical requirements** of the curriculum. **Participants are welcome to carry out the examination (multiple choice, collegial discussion of their own cases)** to achieve the laser diploma. Examinations will be held at all SOLA congresses, symposia and conferences.

Module III : 5 days ; Advanced education on laser dentistry in small groups, performed in various institutions co-operating with the Vienna University, approach to the latest research programs, documentation of own experiences (This module is conducted in Vienna)

Master Degree : Having passed module 1,2, & 3 ; it entitles the candidate to be awarded Masters degree from Vienna university under SOLA international Academy.

WHAT YOU CAN EXPECT

- Practical instructions on laser handling and subsequent practical use
- Live surgeries directly on a patient or via direct monitor transfer
- Carefully documented reading material
- Convenient learning environment
- Internet based association with the Laser forum : Participants attend international scientific congress and are encouraged to publish scientific publications

Fees : Rs. 1,10,000 /- Inclusive of conference registration

(Life membership & Accommodation extra)

Issued DD/Cheque at par in favor of **Society for Oral Laser Applications** payable at Baroda.
(See conference registration page for bank and a/c details)

Visit www.solaindia.org for life membership details and **SOLA** updates

**Get advanced training and diploma
from Vienna University**

**From 2009 Module 1 and 2 shall be
conducted together specially for India
saving your time and travel**

**Excellent opportunity
for young dentist
and
fresh B.D.S. Graduates**

ATTRACTIONS IN AHMEDABAD

SIDI SAYED MOSQUE

This elegant mosque is noted for its twin windows of pierced stone, worked in a style of a tree with palm leaves and curving tendrils. A superb and peerless example of delicate carving that transforms stone into filigree.

GANDHI ASHRAM

Known as Satyagraha Ashram during the lifetime of Mahatma Gandhi, Gandhi Ashram is situated on a quiet stretch of the Sabarmati river. It was from here, in 1930, that the Mahatma began his famous `Dandi March` to the sea to protest against the Salt Tax imposed by the British. `Hridaya Kunj`, a cottage where he lived, is preserved as a National Monument.

HATHEESING JAIN TEMPLE

Built outside Delhi Gate in 1850 by a rich Jain merchant, this temple is one of the best Jain Temples in Ahmedabad. Built of pure white marble and profusely decorated with rich carvings, the Hatheesing Temple is dedicated to Dharamnath, the 15th Jina or Jain apostle.

KANKARIA LAKE

It is a circular lake constructed in 1451 by Sultan Qutub-ud-Din. In the center of the lake is an island garden with a summer palace known as Nagina Wadi.

AKSHARDHAM

Is a unique cultural complex built in Gandhinagar in memory of Lord Swaminarayan. It is an intricately carved, majestic monument built of 6000 tons of pink sand stones. The entire monument was built without the use of steel and consists of a 7 feet gold leafed idol of Lord Swaminarayan and his holy relics

Attractions In Ahmedabad

3rd National Conference

GIR NATIONAL PARK

Gir National Park & Wildlife Sanctuary comprises 1412 sq km of deciduous forest interspersed with semi-evergreen and evergreen flora, acacia, scrub jungle, grasslands and rocky hills. Fed by perennial and seasonal rivers and streams, the sanctuary has large water bodies like the Kamleshwar Dam that are good for crocodiles and birds.

Gir is situated at a distance of 250 miles from Ahmedabad via Junagadh. State Transport buses are easily available from Junagadh and Veraval to Gir. This is a six hour drive from Ahmedabad and a two day tour.

LAKE PALACE (UDAIPUR)

The city of Udaipur is a lovely land around the Azure water lakes hemmed in by the lush hills of the Aravalis. A vision in white, drenched in romance and beauty, Udaipur is a fascinating blend of sights sounds and experience-an inspiration for the imagination of poets, painters and writers.

The chosen place by Hollywood celebrities to plan wedding and enjoy vacation. 150 miles from Ahmedabad, two day tour, three hour drive.

DESERT TOUR

One can experience desert safari or dinner amidst sand dunes of Jaisalmer. Easily accessible by road from Ahmedabad, one can take a three day tour of Jaipur, Jaisalmer and Jodhpur.

OTHER PLACES OF INTEREST AROUND AHMEDABAD :

Rann of Kutch : Wild life sanctuary for wild ass, 450 miles, 7 to 8 hour drive.

Pavagarh : National heritage site 100 miles, two hour drive. one day tour.

Lothal : Southernmost outpost of Indus valley civilization, 30 miles, 1 hour drive and one day tour.
